Discover the meaning of Pura Vida

"PURA VIDA" TRANSLATES TO "PURE LIFE," BUT IT MEANS MUCH MORE. IT REPRESENTS THE ESSENCE OF COSTA RICAN LIVING — FILLED WITH HAPPINESS AND APPRECIATION FOR NATURE, FAMILY AND FRIENDS.

Discover the meaning of Pura Vida

Here on El Jobo beach, one of Costa Rica’s most secluded and desirable beaches, lies the all-suite Dreams Las Mareas Costa Rica. The first Dreams Resort & Spa in this magical destination was built in harmony with its natural surroundings of golden beaches, scenic mountains, tropical jungle and a pineapple fishing village. Located on the calm waters of an unspoiled bay, Dreams Las Mareas was built with sustainable building and environmental practices and it sets the highest standard for luxury in the lovely Northern coastal region of Guanacaste.

Dreams Las Mareas is the perfect base to explore the natural wonders of Costa Rica. Just minutes away is Guanacaste National Park, whose trails cross through low elevation dry tropical forests to the high, enchanting, misty cloud forest near the peaks of volcanoes. At nearby Santa Rosa National Park, a UNESCO World Heritage Site, you can find sea turtles and their nesting sites, waterfalls, mangroves and over one hundred mammal species. After exploring the wonders of Costa Rica, the Unlimited-Luxury® inclusions will welcome you to eight international dining venues and seven bars and lounges, each serving all the gourmet meals, snacks and unlimited premium beverages you care to enjoy. Dreams Las Mareas features the largest swimming pool in Guanacaste at 44,000 sq. ft. and is currently the area’s only resort to offer elegant swim-out suites. A wealth of land and sea sports, nightly parties, shows and supervised clubs for children and teens means everyone gets to enjoy their time in their own way.

Dreams Las Mareas – Costa Rica at its best for couples and couples with children.
